

GENESEE TOWNSHIP MASTER PLAN OPEN HOUSE

Work continues on the Genesee Township Master Plan. After an initial online survey and community discussions, **Genesee Township is inviting all interested persons to attend an open house where you will have the opportunity to review and comment on preliminary recommendations related to future land use, community character, economic development, and circulation.**

The open house will take place between 4 and 6pm. You may come any time during the 2-hour window and stay for as long as you like. There is no formal presentation. Various displays and exhibits will be set up at the venue. You will have an opportunity to review the preliminary recommendations, engage with members of the project team, and **share your thoughts about the future of Genesee Township!**

For more information contact Genesee Township at (810) 640-2000
